Ethan Womack,

This email is to follow-up on your discussion with Colon, Maria - OSHA regarding the above-cited retaliation complaint filed on August 1, 2025 under Occupational Safety and Health Act (OSH Act), Section 11(c), 29 U.S.C. § 660(c). As discussed, your complaint is administratively closed because it does not meet the threshold requirements for OSHA to open an investigation, as you did not suffer an adverse action. Accordingly, your (former) employer, the Respondent, will not receive notice of your complaint, and you will not have the opportunity to object to or request review of this decision.

If you would like to learn more about protections in whistleblower statutes administered by OSHA, visit our website,
